Květen 2022:

Díky krásnému úspěchu našich žáků v anglické týmové soutěži English Star nám do školní knihovny přibylo pět skvělých titulů v angličtině. Všem soutěžícím gratulujeme a děkujeme!

Fanoušci manga komiksů se mohou těšit na další knihy ze sérií Moje hrdinská akademie, Tokijský ghúl, Němý hlas a Naruto.

V knihovně nám také vznikla "polička odložených knih". Děti zde mohou odkládat knihy ze své domácí knihovny, vyměnit je za jiné, mohou je po přečtení vracet nebo si je ponechat.

Přejeme hezké čtení!

Pirate Stew

Gaiman, N.

Long John has a whole crew of wild pirates in tow, and - for one boy and his sister - he's about to transform a perfectly ordinary evening into a riotous adventure beneath a pirate moon. It's time to make some PIRATE STEW. Pirate Stew! Pirate Stew! Pirate Stew for me and you! Pirate Stew, Pirate Stew Eat it and you won't be blue You can be a pirate too! Marvellously silly and gloriously entertaining, this tale of pirates, flying ships, doughnut feasts and some rather magical stew is perfect for all pirates, both young and old. With a deliciously rhyming text from master storyteller Neil Gaiman, and spellbinding illustrations by the supremely talented Chris Riddell, three-times-winner of the Kate Greenaway Medal, this is the picture book of the year! Joyful, quirky and actionpacked, it makes a spectacular and magical gift. (Zdroj textu: luxor.cz)

This Is Prague

Kukovičová, M., Černá, O.

Is Prague still beautiful, amazing and fascinating? Or has it been trampled under the feet of millions of tourists, who hurry over its paving-stones from Prague Castle, across the Charles Bridge, to the Old Town Square and back again? Prague is a city of towers, hills, gardens, lanes, houses, pubs, secrets, stories, memories, people, animals and statues... Have a look at it in a new way. Stroll through its streets with Michaela Kukovičová and Olga Černá. They'll show you bridges, islands, observatories and parks. You'll see the centre. You'll see the suburbs. You'll find out how many bridges span the Vltava, in which house the devil smashed the ceiling and what can you see from Žižkov Tower. (They'll also tell you where to buy the best sandwiches.) Read the tale of the boy who turned into a beetle, the legend of the Golem, or the heroic story of Sir Winton, as well as the assassination of Heydrich and how one particular Czech president scooted about the Castle. There's always something to gaze at and be amazed by... because in Prague everything is possible. (Zdroj textu: luxor.cz)

The Three Golden Keys Sis, P.

World-renowned artist brings to life the magic of Prague and its legends. In this allegorical tale, a man in a hot-air ballon is thrown off course in a violent storm, landing him in the city of his youth. He finds the way to his old home, but the house is dark, with three rusty padlocks on the door. A black cat with eyes of fire appears and leads him through Prague's silent streets and monuments in seach of the three golden keys that will open the door of his boyhood home and restore the city to life.

The new children's book from No. 1 bestselling author David Walliams - a timeless adventure illustrated by artistic genius, Tony Ross. On a volcanic island, in the middle of shark-infested waters, stands The Cruel School. The lessons are appalling, the school dinners are revolting and the teachers are terrifying - especially the mysterious Science teacher Doctor Doktur. When Larker is sent to the school, she quickly realises something very odd is going on... something involving Doctor Doktur, a pair of strange spectacles, and a 'Monsterfication Machine'. And ultimately she finds herself face to face with a real life Megamonster. There seems to be no escape - but for Larker, nothing is impossible (Zdroj textu: luxor.cz)
